Free, Safe Deliveries for At Risk People Facing COVID-19

We're **DeliverEase**. A network of volunteers offering free delivery of groceries and food supplies.

If you or someone you know is in need, please submit a request at TeamDeliverEase.com or call us at (415) 633-6261.

A volunteer will bring your delivery right to your door for free.

Volunteers rock! They're the lifeline of our neighborhoods, and they're even more essential during these times.

If you've been looking for a way to help out your local community, you can sign up at TeamDeliverEase.com.
